

iPad Rules and Agreement Contract:

This contract is binding and students will be held liable for any breaking of said contract. Please note the following:

- You will ONLY use the iPad assigned to you unless specified by the teacher.
- The wallpaper may NOT be changed. If this occurs, Mrs. Cintra must be notified immediately and student responsible will lose iPad privileges.
- Photos may NOT be taken unless specified by the teacher. If there are a lot of photos on your camera roll that are not directly related to the course, you will lose iPad privileges.
- iPads MUST BE SIGNED IN AND OUT every class period. No one is allowed to leave the class until all iPads are returned. In the case of a fire drill or fire, iPads must be left on the desk with other belongings. Make sure they are secure and not on an edge where they could be knocked down.
- You must sign out of your Dropbox and Google Drive accounts DAILY! If this is forgotten and there are ever any plagiarism accusations, both parties will be held liable and all will receive a zero for the assignment in question.
- DO NOT MOVE THE APPS AROUND ON THE IPADS. All the apps have been organized into folders so that they can easily be found by all students using the iPads, so DO NOT MOVE THEM. If these are moved, loss of iPad privileges will ensue.
- When handling the iPad, use both hands while carrying it. ALWAYS BE AWARE OF ITS WHEREABOUTS SO YOU DON'T ACCIDENTALLY KNOCK IT OFF. Damage to an iPad will result in your loss of privileges for the iPads and possible disciplinary action.
- When using the iPads, NO FOOD OR DRINKS ARE TO BE OUT! Failure to do this will result in loss of iPad privileges.
- You must complete the DIGITAL DRIVER'S LICENSE program by Monday, August 25th in order to use the iPads. Failure to do so will result in your loss of privileges with the iPads.
- Must remain professional and appropriate at all times. If at anytime I feel you are not being responsible with the iPads, you will lose your privileges to them and forfeit any assignments that are required on the iPads.
- You must remain in the apps that are required for that days assignments. If you visit websites or apps that are not on task, you will lose your privileges to the iPads. (Do not go to Twitter, Facebook, or anything that is not pertinent to that days activities!)

I, _____ agree to follow the rules set forth by Mrs. Cintra. I understand that failure to follow these rules will result in my lose of privileges to the iPads for the entire year, or otherwise specified, and/or disciplinary action by the school administration. By signing this, I agree to all the terms and conditions set forth in this class and take full responsibility for the iPad and its contents while it is in my possession during my class. I also agree to report any breaking of these rules to Mrs. Cintra immediately. Failure to do so will result in my termination of iPad use.
